

# Front End Loaders

Our Front End Loader containers make sound commercial sense for factories, warehouses, distribution centres and business park premises where large quantities of dry, non-hazardous waste such as paper, cardboard and plastic are generated.

The JWT fleet of Front End Loaders enable prompt and efficient waste collection. Once emptied into the back of the wagon, the containers are quickly returned to their designated spot to minimise vehicle time on site.

JWT guarantees that all collected waste is transported safely and treated in an environmentally conscious manner at our specialist Recycling Centre, with all necessary paperwork completed on behalf of the customer.

*“The ideal solution for lightweight compactable waste.”*

## Key Container Facts

- Collected on time, on schedule (a rapid response call out is also available for unexpected loads)
- Various container sizes: 2cu yd to 10.5cu yd (see over) Some models are on castors for easy manoeuvring
- Tough steel construction
- Lockable lids prevent wind scatter, keep waste in and third party rubbish/vermin out
- Full documentation provided
- Containers permanently assigned to the customer
- Initial waste assessment visit

## The Containers

The cost-effective answer for long-term waste management, our FEL containers are available in a range of sizes (up to 10.5cu yd) and are fully enclosed and lockable to keep the contents secure.

Permanently assigned to the customer, containers are emptied at regular, scheduled intervals on the customers premises. All waste is then safely taken away to our specialist Recycling Centre.

# FEL Container Sizes

2 cu yd container

Capacity	Length	Height	Width
Cu.Mtrs / Cu.Yds	Mtrs / Ft	Mtrs / Ft	Mtrs / Ft
1.5 / 2	1.8 / 5' 10"	1.6 / 5' 3"	0.9 / 2' 11"

4 cu yd container

Capacity	Length	Height	Width
Cu.Mtrs / Cu.Yds	Mtrs / Ft	Mtrs / Ft	Mtrs / Ft
3 / 4	1.8 / 5' 10"	1.5 / 4' 11"	2 / 6' 6"

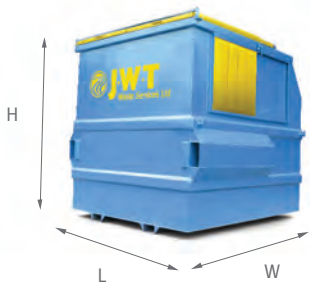

6 cu yd container

Capacity	Length	Height	Width
Cu.Mtrs / Cu.Yds	Mtrs / Ft	Mtrs / Ft	Mtrs / Ft
4.5 / 6	1.8 / 5' 10"	1.7 / 5' 6"	2 / 6' 6"

8 cu yd container

Capacity	Length	Height	Width
Cu.Mtrs / Cu.Yds	Mtrs / Ft	Mtrs / Ft	Mtrs / Ft
6.1 / 8	1.8 / 5' 10"	1.9 / 6' 2"	2 / 6' 6"

10.5 cu yd container

Capacity	Length	Height	Width
Cu.Mtrs / Cu.Yds	Mtrs / Ft	Mtrs / Ft	Mtrs / Ft
8 / 10.5	1.8 / 5' 10"	2.4 / 7' 10"	2.1 / 6' 10"
